### To whomsoever it may concern

This is to certify that **Mr. JADHAV GAURAV VIJAY** (Student from Shivajirao S. Jondhle College of Engineering & Technology, Asangaon) has successfully completed 15 days internship training program at MindScript.

In appreciation for your successful work as intern at MindScript on Android development.

His major responsibilities included working in app (maintain & updating the Android App & helping in Build app for technical instrument).

His exposure in this area are good, during his tenure with us, he ably handled major responsibilities & we found him to be hard working, very productive.

We have found him to be self-starter who is motivated, duty bond & highly committed team member with strong conceptual knowledge.

We wish him all success in his future endeavors & look forward to work with him again in future.

Warm regards
